# AwanaGames Registration - 2006

## Registration opens conference morning and is closed when all spaces are filled.

Registration opens on the day of the Conference, on a first-come basis. Do not mail registration as it will not be posted until the Monday after the Conference.

A deposit of \$160, or full payment, is required with registration. The balance is due at the Mini-Conference in January. **If you cannot make your team commitment, we must know by the Mini-Conference.** If there are no teams on stand-by you must appear with the players you have, so as not to jeopardize the other teams. AwanaGames training will be held at the Mini-Conference in January.
